

WORK WITH PROVIDERS FROM AROUND THE COUNTRY

Travel Therapy Jobs Introduce New Providers — and Help You Streamline Your Staff

Travel therapy gives providers the chance to travel the nation, gain career experience, learn from other professionals, and deliver valuable patient care. It also gives facilities the chance to work with new talent and meet their ever-changing staffing needs.

Delta Healthcare Providers (DHP) meticulously matches facilities with talented therapists for successful placements around the country.

RIGHT PERSON, RIGHT POSITION

Travel therapy providers have experience in different settings and communities. They bring this experience and fresh perspective to your facility to confidently deliver patient care.

FLEXIBLE APPROACH TO RECRUITING

DHP has a nationwide network of candidates available to work when you need it. There are never hidden charges or extra fees when working with DHP. We have an all inclusive rate that takes care of both you and the provider.

PROMOTE STAFFING EFFICIENCIES

With travel therapy providers, you can expand and contract your staff as needed. From full-time therapists to supporting roles, the DHP team works to streamline your operations, saving time and money.

READY TO WORK ON DAY ONE

The DHP team offers 24/7 support. We handle licensing, credentialing, quality assurance, housing, and travel for all of our candidates. We also help our providers navigate the Physical Therapy Compact so they can get to work faster across state lines.
