

Communities nationwide are positively impacted thanks to the recruiting and consulting expertise of Delta Physician Placement

Delta Physician Placement (DPP) matches extensively screened, qualified providers with thousands of facilities on a national basis for a successful search fulfillment.

BENEFITS OF WORKING WITH AN INDUSTRY LEADER

- **We're in This Together:** DPP conducts more than 500 on-site interviews annually. This insight provides a comprehensive look at motivating factors about the community and position for the candidate to consider.
- **Flexible Approach:** You set the parameters, whether you need one search or multiple searches. Clients benefit from our access to active and passive candidates around the nation.
- **Limited Liability:** Clients are never billed for effort – only tangible results. DPP's contract is clear with simple terms to avoid hidden fees.
- **Powerful Marketing Engine:** Leverage custom-tailored campaigns created by an award-winning marketing team based upon your specific search criteria targeted on a local, regional, and national level.
- **Team of Titans:** Our experienced recruiting team is driven, knowledgeable and responsive. A dedicated recruiter will vet qualified candidates based on agreed upon parameters and collaborate with your team to set interviews and lock down job offers.
- **Transparent Consultation:** Candid consultation on real-time activity from objective candidate feedback and market conditions.
- **Experienced and Credentialed:** DPP has over 29 years of industry experience and is supported by an operations team that is Joint Commission certified.
