

# EXPERIENCE

## IMPACTING THE FUTURE OF PATIENT CARE BY CONNECTING THE BEST QUALIFIED PROVIDER TO THE JOB.

**Delta Locum Tenens (DLT)** identifies qualified physicians and practitioners on behalf of healthcare facilities to provide short- and long-term coverage.

### BENEFITS OF WORKING WITH AN INDUSTRY LEADER

- **One Voice:** Work with a single point of contact for all specialties who represents an experienced team with direct knowledge of your geographic area.
- **Innovative Workflow:** An electronic work log provides convenient tracking.
- **Streamlined Processes:** Coordinators are available 24/7 and book travel with your personal reward numbers. The in-house risk management team helps to vet candidates and expedites the privileging process.
- **Simple Terms:** Your contract is clear and simple and void of hidden fees.
- **We've Got Your Back:** You're always covered with A++ Malpractice insurance.
- **Powerful Marketing Engine:** Leverage custom tailored campaigns created by an award-winning marketing team based upon your specific search criteria targeted on a local, regional, and national level.
- **Credentialing simplified:** We ensure that you have one person dedicated specifically to you.

### THE HAPPY FACTOR

Scores from the Membership Engagement Survey, a measurement of staff engagement, have reached a record high, and retention rates for DLT are among the best in the industry.

High engagement and low turnover mean your consultant is here for the long term—and is happy about it. Tap into the resources and experience of DLT today.
